**About our instructors . . .**

Joining us again this session, with two exciting art classes, is **Tara Carmichael**, a local artist and RHD parent. For 27 years across North America, she has been empowering young people with art! Coming back for another wonderful PlayWell TEKologies Lego class is **Robert McLaren**, a graduate of CSU California Polytechnic. His philosophy is not only is it easier to have fun when you are learning, but that it is easier to learn when you are having fun! **David Peelo** is retired from service with the US Marine Corps and the CHP, and volunteers as a tutor at RHD. He believes that chess is an enjoyable way for children to develop critical thinking ability. Fellow RHD parent, **Ritika Kumar** will be once again teaching yoga and ceramics. She is a certified children's yoga teacher and an art teacher who is passionate about engaging kids in the magic of clay. **Maria Dawson** offers a wealth of education and experience as an actor and drama teacher in many Peninsula performance and education venues. Another returning instructor is **Lisa Lavin**, a mother of two students in the PG school district. In her free time, she is a singer/songwriter, and performed with various bands in Southern CA in the 1990's before she went into teaching beginning piano and singing lessons from 1996-2005. She has been playing the ukulele for the past 3 years, and hopes to continue teaching ukulele classes in future ASE sessions.

Thank you ASE teachers for sharing your interests and talents with our children!

ASE is always looking for new classes to offer. Please contact Natalie Montgomery to share your ideas with!
