Our expectation is that all children will behave in a manner which is supportive of their fellow students and the faculty. Failure to live up to this expectation may lead to removal of any student from the program after consultation with the parents. Scholarship policy: one full or partial offered per session to be applied towards class as space is available. Limit one per student/family per school year.

About our instructors . . .

Offering two new exciting art classes this session, is local artist and RHD parent **Tara Carmichael**. For over 27 years, she has been empowering young people across North America with art! PlayWell TEKnologies Lego is bringing another fun class to our program. When the new instructor information is ready, it will be sent out to all parents. Peninsula artist **Julie Heilman** teaches classes at the PG Art Center. She encourages children to use creativity to discover their artistic voice. **David Peelo** is retired from service with the US Marine Corps and the CHP, and volunteers as a tutor at RHD. He believes that chess is an enjoyable way for children to develop critical thinking ability. RHD parent, **Ritika Kumar** will be once again teaching yoga and ceramics. She is a certified children's yoga teacher and an art teacher who is passionate about engaging kids in the magic of clay. **Maria Dawson** offers a wealth of education and experience as an actor and drama teacher in many Peninsula performance and education venues. Introducing a new group of students to Ukulele is **Lisa Lavin**, a mother of two students in the PG school district. In her free time, she is a singer/songwriter, and performed with various bands in Southern CA in the 1990's before she went into teaching beginning piano and singing lessons from 1996-2005. She has been playing the ukulele for the past 3 years, and hopes to continue teaching ukulele classes in future ASE sessions.
