

If you were exposed/close contact to a COVID-19 individual AT SCHOOL and Fully Vaccinated = either 2 shots (Pfizer or Moderna) or 1 shot Johnson and Johnson + (booster 12yrs & older) OR were previously infected with laboratory-confirmed COVID-19 within the last 90 days

NOT REQUIRED TO PARTICIPATE IN MODIFIED QUARANTINE IF you have NO SYMPTOMS

- Continue to attend school
- Wear a well-fitted mask if you must be around others in your home.
- Receive COVID-19 testing at least by day 5

If you develop symptoms:

- Isolate immediately and get tested. Continue to stay home until you know the results.
- Wear a well-fitted mask for any time you are around others inside your home or in public. Do not go to places where you are unable to wear a mask.
- Avoid travel
- Avoid being around people who are at high risk

Return to school both items must be met:

- No Symptoms (fever-free for 24 hours without the use of fever-reducing medication)
- COVID-19 test with negative result **OR** 10 full days of quarantine completed

If you were exposed/close contact to a COVID-19 individual AT SCHOOL and NOT Fully Vaccinated = either 2 shots (Pfizer or Moderna) or 1 shot Johnson and Johnson + (booster 12yrs & older) OR were previously infected with laboratory-confirmed COVID-19 within the last 90 days

MODIFIED QUARANTINE IF you have NO SYMPTOMS

- Continue to attend school
- Monitor for symptoms and receive COVID-19 testing on day 5.
- Wear a well-fitted mask if you must be around others in your home.

If you develop symptoms:

- Isolate immediately and get tested. Continue to stay home until you know the results.
- Wear a well-fitted mask for any time you are around others inside your home or in public. Do not go to places where you are unable to wear a mask.

If you were exposed/close contact to a COVID-19 individual OUTSIDE OF SCHOOL and NOT Fully Vaccinated = either 2 shots (Pfizer or Moderna) or 1 shot Johnson and Johnson + (booster 12yrs & older)

QUARANTINE at home for 5 days

- Wear a well-fitted mask if you must be around others in your home.
- Receive a COVID-19 test on day 5.
 - If negative **and** no symptoms, return to school.
 - Continue to wear a mask in public spaces for the remainder of the 10-day exposure period.

If you develop symptoms:

- Isolate immediately and get tested. Continue to stay home until you know the results.
- Wear a well-fitted mask for any time you are around others inside your home or in public. Do not go to places where you are unable to wear a mask.
- Avoid travel
- Avoid being around people who are at high risk

Return to school both items must be met:

- No Symptoms (fever-free for 24 hours without the use of fever-reducing medication)
- COVID-19 test with negative result **OR** 10 full days of quarantine completed

IF YOU tested POSITIVE for COVID-19 regardless of Vaccination status

QUARANTINE IMMEDIATELY at home for 5 days

- Wear a well-fitted mask if you must be around others in your home.
- Avoid being around people who are at high risk.
- Receive a COVID-19 test on day 5 if you are asymptomatic; otherwise, continue to quarantine.
 - If negative and no symptoms on day 5, return to school on day 6.
 - If positive and no symptoms, continue to quarantine through day 10. You do not need a negative test result to return to school/work if 10-day quarantine is fulfilled and you are symptom-free. You may discontinue quarantine if testing again with negative results on day 6-10.

Return to school both items must be met:

- No Symptoms (fever-free for 24 hours without the use of fever-reducing medication)
- COVID-19 test with negative result on day 5 **OR** 10 full days of quarantine completed
