## 2021 School Accountability Report Card

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at [www.cde.ca.gov/ta/ac/sa/](http://www.cde.ca.gov/ta/ac/sa/)

For more information about the LCFF or the LCAP, see the CDE LCFF web page at [www.cde.ca.gov/fq/aa/lc/](http://www.cde.ca.gov/fq/aa/lc/)

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at [dq.cde.ca.gov/dataquest/](http://dq.cde.ca.gov/dataquest/) that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) [www.caschooldashboard.org/](http://www.caschooldashboard.org/) reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2021-22 School Overview

The mission of Pacific Grove Middle School is to provide a high quality educational experience that teaches our students the skills, abilities, and mindset they will need to transition to high school with self-esteem, a capacity for critical thinking, a sense of responsibility, global awareness, and respect for self and others. Our staff is committed to setting and achieving high standards of academics and behavior while recognizing and responding to the individual talents and learning styles of our students. Pacific Grove Middle School was recently awarded the California Distinguished School Award for our academic excellence and closing the achievement gap with struggling students.

Pacific Grove Middle School (PGMS) is the lone middle school in the Pacific Grove Unified School District (PGUSD). PGUSD consists of two elementary schools (K-5), one middle school (6-8), and one high school (9-12), as well as one community high school. It also has an adult school which oversees adult education as well as preschool education in a variety of settings. The district enjoys deep community support and involvement. Due to high property values, the district receives property revenue in excess of its state "revenue limit", which is based on an Average Daily Attendance (ADA) formula. Several bond measures have been passed which have provided additional funding for building improvements, including new safety fences surrounding the school, new fencing for our learning garden,. In 2015 the voters of Pacific Grove passed the Measure A Tech Bond in support of improving technology in schools. Measure A provides PGUSD \$600,000 annually for innovative educational technologies for use in classrooms K-12 as well as our adult programs. Additionally, improvement have been made to the Performing Arts Center, including a new projector and screen, as well as upgrading the lighting.

As a philosophy, PGMS seeks to instill a sense of service to each student with the purpose of helping them improve their minds, health and character. PGMS is dedicated to delivering messages and activities surrounding our Character Strong program, where each Monday, during our recently developed Advisory period, students participate in lessons in support of building high character and kindness to others. The middle school wants to help students prepare for success in all areas of their high school education. A rigorous academic program is combined with a wide array of extracurricular activities and student support services. PGMS was awarded the California Distinguished School Award in 2021 for strong academics and lowering the achievement gap. These academic gains are definitely a team effort. The school's Parent Teacher Student Association (PTSA), School Site Council and staff have developed a strong, supportive partnership through which volunteer time and allocated funds are expended to improve the total school program. In addition, each program is reviewed for its level of rigor and effectiveness to ensure we are meeting the needs of every student.

## 2021-22 School Overview

The middle school years present students with profound physical, social and psychological changes. It is the bridge from childhood to early adulthood. PGMS takes pride in the achievements of its students along this journey as reflected by above average tests scores, an atmosphere of kindness and mutual respect among students and staff, regular community services participation, and a commitment to the visual and performing arts. Through these achievements, and others, PGMS graduates have begun the process of building their own bridges toward a successful future.

## About this School

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

### 2019-20 Teacher Preparation and Placement

Authorization/Assignment	2019-20
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	
Intern Credential Holders Properly Assigned	
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	
Unknown	
Total Teaching Positions	

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

### 2019-20 Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2019-20

## 2019-20 Class Assignments

Indicator	2019-20
<b>Misassignments for English Learners</b> (a percentage of all the classes with English learners taught by teachers that are misassigned)	
<b>No credential, permit or authorization to teach</b> (a percentage of all the classes taught by teachers with no record of an authorization to teach)	

## 2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

All curriculum for academic areas is standards-aligned and reflect that of recent adoptions. Each student has access to a home set of books as well as a set that remains at school. Study sync, TCI, Big Ideas and Savvas all have an online component which mirrors the hardcopy version of textbooks.

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption ?	Percent Students Lacking Own Assigned Copy
<b>Reading/Language Arts</b>	Study Sync (16-17)	Yes	0
<b>Mathematics</b>	Big Ideas Math (16-17)	Yes	0
<b>Science</b>	Savvas Publishing (21/22)	Yes	0
<b>History-Social Science</b>	TCI History (17/18)	Yes	0

## School Facility Conditions and Planned Improvements

The school grounds are maintained on weekly basis. We have a grounds worker assigned to our school, and he does an excellent job maintaining the safety and appearance of our landscaping. Our three-person site maintenance staff (on day, two night custodians), maintain the neatness of our facility. They also address routine maintenance issues as they arise. Although our building is old, it is in fine condition. We recently created an outdoor learning space in the form of a garden, which was created and maintained with assistance from the Junior League of Monterey County. We are in the process of transforming our woodshop (which is no longer a class) into a functional classroom and workers space for STEM/STEAM and various clubs.

In 2021, a new 4K projector and screen have been installed in the Performing Arts Center which will be a huge upgrade for character assemblies and musical performances. Planned facilities upgrades include:

- Exterior painting of all buildings
- Performing Arts Center stage, lighting, and rigging
- Phone System
- Woodshop Roofing

All doors at PGMS have been fitted with Lock Blocks as a quick lock system for safety purposes. A new gate and fence has been installed on Sinex avenue, guiding visitors to enter the building through the main entrance and funneling them to the office.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

#### Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21

<b>Mathematics</b> (grades 3-8 and 11)	N/A	N/A	N/A	N/A	N/A	N/A

## 2020-21 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment. The CDE will populate this table for schools in cases where the school administered the CAASPP assessment. In cases where the school administered a local assessment instead of CAASPP, the CDE will populate this table with "NT" values, meaning this school did not test students using the CAASPP. See the local assessment(s) table for more information.

#### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

## 2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2021-22 Opportunities for Parental Involvement

PGMS has reached out and engaged our families in a variety of ways, including hosting a PGMS Counseling Night, PGMS Academic Interventions, PGMS Parenting Series, PGMS Character Strong, Adding Spanish Language to PGMS, PGMS Principal Check-in, and the California Healthy Kids Parent Survey. Planned engagements for semester two include parent meetings and input on topics such as: Climate and Enrichment opportunities, review/revision of the PGMS Dress Code, sharing student survey results.

PGMS has a vibrant and well attended PTSA and School Site Council. Discussions include academic achievement, social emotional supports, student survey information, Spanish Language at PGMS, Covid mitigation protocols and a number of parent driven topics. PGMS also relays information via the PTSA Facebook page to reach out to families.

We have hosted several parent meetings regarding academic interventions and social emotional support. This year we have many more supports to offer, and communicating these opportunities and clarifying expectations is very important. We welcome volunteers and parents to help out in the classroom, library, small group instruction and office in a variety of ways. School-wide functions (Back-to-School Night, Open House, holiday programs, parent conferences, Butterfly Parade and Bazaar, Honors Night, District Music Festival, various drama and musical productions, and Promotion) are heavily attended. PGMS has an active PTSA and School Site Council (SSC). Parents take a strong, participatory lead in assisting administration with making sound decisions for our site and students.

#### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

## Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21
<b>Suspensions</b>	2.94	0.00	1.78	0.05	3.47	0.20
<b>Expulsions</b>	0.00	0.00	0.00	0.00	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

## 2021-22 School Safety Plan

Pacific Grove Middle School keeps a comprehensive safety plan that is reviewed each year by our site safety committee and the School Site Council. The plan was most recently reviewed in December 2019, but it has been updated with current data and is awaiting review by staff, safety committee and Site Council in January. One key element of the Site Safety Plan is the section on “The Big Five,” which is a set of comprehensive emergency response protocols that are designed specifically for schools, and are widely used in the area. All staff receive annual training on the five types of emergency response - shelter in place, evacuation, secure campus, lockdown-barricade, and drop-cover-hold on. Another key element of the Plan is our list of Crisis Team members and responsibilities, which will be critical to the success of our emergency responses if/when they are enacted. Finally, the Plan also contains our drill schedule, school rules, and an overview of Restorative Justice and Positive Behaviors Interventions and Supports (PBIS)

## Professional Development

This year as with last, the district provided many extra professional development opportunities during the summertime in anticipation of welcoming our students back to in person learning.

We conducted our Leadership Summer Workshop July 27 and July 30, where we discussed data collection and intervention techniques, technology trainings, curriculum mapping and pacing to prepare for gaps in learning. The staff participated in several presentations from Monterey County Behavioral Health, involving self-care, how to identify and support students in crisis. Our staff participated in Synergy trainings on July 29th and August 2nd; with the latter portion of August 2nd being used for a Character Strong half day training. Leadership members and administrators presented these themes during the whole staff professional developments August 2/3. Upcoming trainings involve a three day study of Universal Design for Learning (Equity based education) produced by the Monterey County Office of Education on March 14th, March 28th and April 25th.

We are renewing our practice of departments taking two complete days for curriculum planning off site during the school year. PGMS has an Instructional Leadership Team (ILT) made up of teacher leaders who assist with the training necessary to maintain best practice, and maintain a school wide focus on Equity. The last several years and into the future, our ILT and school wide focus continues to work on maintaining strong Professional Learning Communities (PLCs) to better use data to intervene with struggling students and ensure access for all. In addition, PGMS staff continues to put in to practice our school wide professional study on Teacher Clarity and Student Success Criteria. In addition to improving and maintaining our PLC's, our site has dedicated multiple opportunities to the study of Equity and a continued focus on our Students of Concern (SOC). Through Data Share's and Learning Walks, our staff is committed to sharing best practice and learning from one another.

This table displays the number of school days dedicated to staff development and continuous improvement.

## 2020-21 Local Accountability Report Card (LARC) Addendum

### Local Accountability Report Card (LARC) Addendum

#### 2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Student Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
