## 2021-22 School Overview

Forest Grove School seeks to provide a quality educational program for each of its students. We embrace the fact that our school serves students of different backgrounds, abilities and interests. We are committed to offering challenging programs in a positive educational environment that develops individual students to their greatest potential. This environment fosters mutual respect, communication and compassion within the entire school community.

Forest Grove's Mission Statement was written with the belief that every child is entitled to an optimum learning and educational experience. Not stated, yet understood in this statement, is the fact that children have different educational needs and challenges at each grade level. Additionally, the staff has written and affirmed Core Values statements which convey both the philosophy and the commitment of the faculty to the students, each other, parents, and the greater community.

Early primary grades (TK-2) focus on beginning reading, language arts and mathematical concepts and skills. Third grade is a transitional year between skill development and concept application. In language arts the transition is from learning to read to reading to learn. There is an emphasis on encouraging independent personal responsibility. The intermediate grades (3-5) emphasize core curriculum while focusing on preparing students for the transition to middle school. Forest Grove is committed to maximizing each child's learning experience.

## A. Conditions of Learning State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp

## 2020-21 Teacher Preparation and Placement

| Authorization/Assignment | School Number | School <br> Percent | District <br> Number | District Percent | State Number | State Percent |

| Total Teaching Positions | 21.8 | 100.0 | 108.6 | 100.0 | 274759.1 | 100.0 |

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## School Facility Conditions and Planned Improvements

Forest Grove continues to have many improvements to its campus. During the summer of 2016, a $\$ 500,000$ parking and drop off reconstruction project was completed allowing for smoother traffic flow and improved access to the front of our school. Working with parent and staff volunteers, the playground area was painted and some games were added over the past two years. The learning environment has received several technology updates including class sets of Chromebooks in grades 3-5, six tablets in TK-2 classrooms, and video surveillance cameras. We expect the technology component of classrooms to continue to grow as funds from the educational technology bond become available. In 2018, we added two modular classrooms to house our expanding program offerings. A new playground was installed Summer of 2020.

## B. Pupil Outcomes

## State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

## Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. Smarter Balanced Summative Assessments and CAAs for ELA in grades three through eight and grade eleven.
2. Smarter Balanced Summative Assessments and CAAs for mathematics in grades three through eight and grade eleven.
3. California Science Test (CAST) and CAAs for Science in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only
Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more gradelevel[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

## Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

## 2020-21 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment. The CDE will populate this table for schools in cases where the school administered the CAASPP assessment. In cases where the school administered a local assessment instead of CAASPP, the CDE will populate this table with "NT" values, meaning this school did not test students using the CAASPP. See the local assessment(s) table for more information.

## B. Pupil Outcomes

## State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

## 2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

## C. Engagement

## State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

## 2021-22 Opportunities for Parental Involvement

Parents and the community are an integral part of Forest Grove School. Teachers welcome and receive volunteers in their classrooms. In a typical year, school-wide functions (i.e. Back-to-School Night, Open House, holiday programs, Trunk or Treat, Ice Cream Social, Parent Conferences, Butterfly Parade and Bazaar, Family Game Night, and Falcon Fun Fest) are well attended. In 2020-2021, these functions were canceled due to the pandemic. Forest Grove has an active Parent Teacher Association (PTA), English Language Advisory Committee (ELAC), and School Site Council (SSC). The PTA has sought to provide additional welcome to new parents (often military) into the Forest Grove community through the Falcon Friends program. Forest Grove has intensified its efforts to increase parent involvement in 2019-2020. These efforts include a series of parent education classes covering topics such Managing Your Child's Temper and Tantrums, Building Loving Sibling Relationships, and Preparing for Life's Transitions. These classes are offered in conjunction with Pacific Grove Adult Education. In addition, Forest Grove began having virtual "check ins" with the principal to keep parents current on all information affecting the educational program for their children. Forest Grove hosted numerous virtual Town Hall meetings as our remote learning plans were developed and our return to school plans took shape in the Spring of 2021. In 2019, Forest Grove also held a school safety update for parents on the first day of school where more than 100 parents were in attendance as well as a morning meeting to discuss our social emotional learning program called the Toolbox. Parents are also given a voice in school decision making through their roles on the English Language Advisory Council.

## C. Engagement

## State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

## Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

| Expulsions | 0.00 | 0.00 | 0.00 | 0.00 | 0.08 | 0.00 |

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

## 2021-22 School Safety Plan

Forest Grove's comprehensive safety plan is reviewed each year by our site safety committee and the School Site Council. The plan was most recently reviewed in October 2022. We have adopted the "Big Five" approach to emergency response and all staff receives annual training on the five types of emergency response - shelter in place, evacuation, secure campus, lockdown-barricade, and drop-cover-hold on. Our comprehensive safety plan also contains our drill schedule, school rules, and an overview of the character development used at Forest Grove (Character Counts) and social emotional learning program (The Toolbox) used at Forest Grove. Our school has conducted distance learning beginning on March 13, 2020, and phased in our return to school April 2021. Our COVID-19 School Operational Plan addresses our safety procedures during this time.

## 2020-21 Types of Services Funded

The students at Forest Grove receive instructional support in their classrooms from their teacher and a part time Instructional Assistant. Outside of the classroom, students performing below grade level in language arts and math may participate in a pull out program using supplemental materials to help close the gap between their current level of understanding and grade level expectations. We also have a Resource Program, and Two Intensive Academic classrooms serving students who need more direct forms of instruction and alternative curriculum.

## 2019-20 Teacher and Administrative Salaries

## Professional Development

Each year, one full day and two half days (three hours) are dedicated to staff development district-wide. An additional hour per week is set aside for staff development and collaboration (early release on Thursday afternoons). Teachers receive an additional 170 minutes each week to ensure that they have time during the school day for preparation and parent and community contact. Grade level meetings have been held to identify students in need of additional support/tutoring, using Title I and Title III funds. In 2020-21, the focus of Forest Grove's professional development has been devoted to helping teachers develop and implement distance learning programs at Forest Grove.
This table displays the number of school days dedicated to staff development and continuous improvement.

# Pacific Grove Unified School District 2020-21 Local Accountability Report Card (LARC) Addendum 

## Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020-2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020-2021 school year and the 2020-2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020-2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
