This executive summary of the School Accountability Report Card (SARC) is intended to provide parents and community members with a quick snapshot of school accountability. The data presented in this report are reported for the 2007-08 school year, except the School Finances and School Completion data that are reported for the 2006-07 school year. For additional information about the school, parents and community members should review the entire SARC or contact the school principal or the district office.

#### Abstract

About This School Pacific Grove Middle School (PGMS) is the only middle school in the Pacific Grove Unified School District. The district consists of two elementary schools (K-5), one middle school (6-8), and one high school (9-12), and one community high school. It also has an adult school which oversees adult education as well as preschool education in a variety of settings. The district enjoys deep community support despite the fact that the school population has been slowly declining over the past few decades. Due to high property values, the district receives property tax revenue in excess of its state "revenue limit," which is based on an Average Daily Attendance (ADA) formula. Several bond measures have been passed which have provided additional funding for building improvements. Parcel taxes have been approved to allow restoration of programs and personnel that had been previously cut. Measure D, was passed in 2006, giving the district $\$ 42$ million for facility improvements. The first of these improvements at PGMS will be a new classroom for the music program and improvements to the Performing Arts Center. New windows and flooring were installed last year, and the exterior is schedule to be painted in the summer of 2008. Our Measure D committee, comprising staff and parents, continues to work with an architect to develop and refine projects at PGMS that will be funded through Measure D. As a philosophy, PGMS seeks to give each student a variety of experiences with the purpose of preparing them for success in all areas of their high school education. A demanding academic program is combined with extracurricular activities and student support services. The school's Parent Teacher Student Association (PTSA), School Site Council and staff have developed a strong, supportive partnership through which volunteer time and allocated funds are expended to improve the total school program. In addition, each program is reviewed for its rigor and effectiveness to make sure that we are meeting every student's needs. The middle school years present students with profound physical, social and psychological changes. It is the bridge from childhood to early adulthood. PGMS takes pride in the achievements of its students along this journey as reflected by above-average test scores, a well-behaved student body, regular community service participation, and a commitment to the visual and performing arts. Through these achievements, and others, PGMS graduates have begun the process of building their own bridges toward a successful future.

## School Facilities

Summary of Most Recent Site Inspection
Pacific Grove Middle School is closely monitored for safety, cleanliness, and general repair. There are 3 FTE custodians, one during the day and two during the evening shift. The head custodian and the assistant principal have weekly walkabouts to inspect for hazards, neglected areas, and items that need attention. The reports generated are then used for the site staff to address or to generate work orders for the District staff to address. There is one grounds staff who is at PGMS for one half day a week and the district maintenance staff provide service as needed.

## Repairs Needed

Routine repair work is assigned and accounted for through a district work order system. Work that may pose a security or safety hazard is given immediate attention.

## Corrective Actions Taken or Planned

All routine repairs were done in a timely fashion during the 2007-08 school year. During the summer of 2008 the exterior of the entire campus will be repainted with Measure D. funds. Additional projects funded under Measure D will be submitted for approval by the PGUSD School Board and the Division of State Architect. These projects include: a new music annex, new restrooms in the auditorium, lighting and sound system installation in auditorium, and a project to resurface the athletic track.

# School Accountability Report Card Reported for School Year 2007-08 

## Published During 2008-09

The School Accountability Report Card (SARC), which is required by law to be published annually, contains information about the condition and performance of each California public school. More information about SARC requirements is available on the SARC Web page at http://www.cde.ca.gov/ta/ac/sa/. For additional information about the school, parents and community members should contact the school principal or the district office.

## I. Data and Access

## DataQuest

DataQuest is an online data tool located at http://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g. Academic Performance Index [API], Adequate Yearly Progress [AYP], test data, enrollment, graduates, dropouts, course enrollments, staffing, and data regarding English learners.

## Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2007-08)
This section provides information about the school, its programs and its goals.
The mission of Pacific Grove Middle School is to provide a quality education experience that teachers our students the skills and abilities they need to transition into high school with self-esteem, a capacity for critical thinking, a sense of responsibility, global awareness, and respect for self and others. Our staff is committed to setting and achieving high standards of academics and behavior while recognizing and responding to the individual talents and learning styles of our students.

The staff of Pacific Grove Middle School pursues excellence in education by providing a progressive, standardsbased program that challenges every student to be an independent thinker and responsible citizen and inspires a desire for lifelong learning.

In an atmosphere that is purposeful and structured, friendly and caring, skills are taught and support is provided to assist the transition from childhood to adolescence. Our team-oriented approach is based on a strong academic foundation and enhanced by fine arts, vocational and extra-curricular opportunities, and the use of current technology. We encourage our students to work to their highest potential and publicly recognize both their efforts and achievements.

Pacific Grove Middle School maintains a positive partnership with the parents of our students and the greater community by collaborating on numerous student-centered programs that model success through cooperation, communication, and enrichment of our environment for personal academic growth.

## Opportunities for Parental Involvement (School Year 2007-08)

This section provides information about opportunities for parents to become involved with school activities.
Pacific Grove Middle School has enjoyed a very active Parent-Teacher-Student-Association (PTSA). Parents volunteer around the school in a variety of ways: in the library during study hall, in the office, during pride days, at school dances, for special projects like our gym and track projects, career day, graduation ceremonies, and myriad other ways. This group has done fundraising to help put on our lunch time clubs, pay for dances and the graduation celebration, pay for special projects, defray classroom expenses, put on Challenge Day, and other expenses. This past year, the PTSA has taken on a special project to raise funds for a student whose father died suddenly, as well as providing a special speaker and assembly addressing bullying. All of their efforts have made PGMS a much richer place not only for the students, but for all who come through our doors.

In addition, there are other various groups and committees that parents and community members are encouraged to join. A non-exhaustive list of these groups include our Site Council, the safety committee, the graduation committee, the student-parent handbook committee, and lunchtime supervision.

## III. School Climate

## School Safety Plan (School Year 2007-08)

This section provides information about the school's comprehensive safety plan.
PGMS has a comprehensive safety plan that has been extensively reviewed over the past year. Monthly drills are held that include fire, earthquake, and intruder exercises. Most drills are not announced and often include blocked exits, missing students and/or adults, or smoke to test the procedures and make sure the staff and students are always alert. In addition, PGMS regularly holds disaster drills alerting the local fire and police departments as well as various parents and community members acting parts of upset parents, concerned community members, press, etc., in order to more fully understand our preparedness. During these drills, our crisis teams are put into action to further prepare them as well as to find potential weaknesses to address.

## Suspensions and Expulsions

This table displays the rate of suspensions and expulsions (the total number of incidents divided by the total enrollment) at the school and district levels for the most recent three-year period.

## IV. School Facilities

## School Facility Conditions and Planned Improvement (School Year 2008-09)

This section provides information about the condition of the school's grounds, buildings, and restrooms based on the most recent data available, and a description of any planned or recently completed facility improvements.
Pacific Grove Middle School is closely monitored for safety, cleanliness, and general repair. There are 3 FTE custodians, one during the day and two plus a part time custodian during the evening shift. The head custodian and the assistant principal have weekly walkabouts to inspect for hazards, neglected areas, and items that need attention. The reports generated are then used for the site staff to address or to generate work orders for the District staff to address. There is one grounds staff that works at PGMS for one day a week and the district maintenance staff provide service as needed.

Needed repairs to the main building and outlying structures have been noted on a review done in 2002 by local architects in anticipation of passing local bond measures to address various district sites. A district facility improvement plan was devised with several revisions thereafter. Heating and roofing repairs were done over the 2005-06 school year. Flooring repairs and subsequent asbestos abatement occurred over the past two summers. Windows and further floor repair along with asbestos abatement was completed over the summer of 2007. Exterior painting is slated to be done over the summer of 2008.

As noted above, the District facility improvement plan has noted areas that need to be addressed. The passage of Measure D in 2006 has allowed the District to move forward on the most pressing needs.

## School Facility Good Repair Status (School Year 2008-09)

This table displays the results of the most recently completed school site inspection to determine the school facility's good repair status.

## Types of Services Funded (Fiscal Year 2007-08)

This section provides information about the programs and supplemental services that are provided at the school through either categorical funds or other sources.
Categorical Programs available to Pacific Grove Middle School:
Federal:

- Title II, professional development
- Title IV, drug abuse and violence prevention programs
- Special Education, ensures students with special needs are properly assessed and serviced with a program designed to meet their needs

State:

- English Language Learners - designed to develop English fluency
- Gifted and Talented Education - identifies gifted and talented students and provides for differentiated opportunities to meet that student's needs
- Tobacco Use Prevention Education - designed to educate students regarding the negative effects of tobacco
- School Improvement Program - a program to fund programs to improve student performance

Local:

- Measure A bond fund - passed in order to improve the physical structures in PGUSD
- Measure A parcel tax - passed in order to fund specified programs throughout the district

Measure D bond fund - passed in order to improve the physical structures in PGUSD

## Teacher and Administrative Salaries (Fiscal Year 2006-07)

This table displays district salaries for teachers, principals, and superintendents, and compares these figures to the state averages for districts of the same type and size. The table also displays teacher and administrative salaries as a percent of a district's budget, and compares these figures to the state averages for districts of the same type and size. Detailed information regarding salaries may be found on the Certificated Salaries and Benefits Web page at http://www.cde.ca.gov/ds/fd/cs/.

## IX. Student Performance

## California Standards Tests

The California Standards Tests (CSTs) show how well students are doing in relation to the state content standards. The CSTs include English-language arts (ELA) and mathematics in grades 2 through 11; science in grades 5, 8, and 9 through 11; and history-social science in grades 8 , and 10 through 11. Student scores are reported as performance levels. Detailed information regarding CST results for each grade and performance level, including the percent of students not tested, can be found on the Standardized Testing and Reporting (STAR) Results Web page at http://star.cde.ca.gov. Note: Scores are not shown when the number of students tested is 10 or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.

## CST Results for All Students - Three-Year Comparison

This table displays the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards).

## California High School Exit Examination

The California High School Exit Examination (CAHSEE) is primarily used as a graduation requirement. However, the grade 10 results of this exam are also used to establish the percentages of students at three proficiency levels (not proficient, proficient, or advanced) in ELA and mathematics in order to compute Adequate Yearly Progress (AYP) designations as required by the federal NCLB Act of 2001. Detailed information regarding CAHSEE results can be found at the CAHSEE Web site at http://cahsee.cde.ca.gov/. Note: Scores are not shown when the number of students tested is 10 or less, either because the number of students in this category is too small for statistical accuracy, or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.

## CAHSEE Results by Performance Level for All Students - Three-Year Comparison

This table displays the percent of students achieving at the Proficient or Advanced level in English-language arts and mathematics.

## California Physical Fitness Test Results (School Year 2007-08)

The California Physical Fitness Test is administered to students in grades 5, 7, and 9 only. This table displays by grade level the percent of students meeting the healthy fitness zone on all six fitness standards for the most recent testing period. Detailed information regarding this test, and comparisons of a school's test results to the district and state levels, may be found at the Physical Fitness Testing Web page at http://www.cde.ca.gov/ta/tg/pf/. Note: Scores are not shown when the number of students tested is 10 or less, either because the number of students in this category is too small for statistical accuracy, or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.

| Grade Level | Percent of <br> Students Meeting <br> Healthy Fitness Zones |

## X. Accountability

## Academic Performance Index

The Academic Performance Index (API) is an annual measure of the academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800 . Detailed information about the API can be found at the API Web page at http://www.cde.ca.gov/ta/ac/ap/.

## API Ranks - Three-Year Comparison

This table displays the school's statewide and similar schools API ranks. The statewide API rank ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest 10 percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest 10 percent of all schools in the state. The similar schools API rank reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of 1 means that the school's academic performance is comparable to the lowest performing 10 schools of the 100 similar schools, while a similar schools rank of 10 means that the school's academic performance is better than at least 90 of the 100 similar schools.

| API Rank | $\mathbf{2 0 0 5}$ | $\mathbf{2 0 0 6}$ | $\mathbf{2 0 0 7}$ |
| :--- | :---: | :---: | :---: |
| Statewide | 9 | 9 | 10 |
| Similar Schools | 4 | 1 | 7 |

API Changes by Student Group - Three-Year Comparison
This table displays, by student group, the actual API changes in points added or lost for the past three years, and the most recent API score. Note: "N/A" means that the student group is not numerically significant.

| Group | Actual API Change |  |  | Growth API <br> Score |
| :--- | :---: | :---: | :---: | :---: |
|  | 2005-06 | $\mathbf{2 0 0 6 - 0 7}$ | $\mathbf{2 0 0 7 - 0 8}$ | $\mathbf{2 0 0 8}$ |
| All Students at the School | 48 | 3 | 18 | 873 |
| African American |  |  |  |  |
| American Indian or Alaska Native |  |  |  |  |
| Asian |  |  |  |  |
| Filipino |  |  |  |  |
| Hispanic or Latino |  |  |  |  |

| Students with Disabilities | $\mathrm{n} / \mathrm{a}$ |  |  |  |

## Adequate Yearly Progress

The federal NCLB Act requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in English-language arts (ELA) and mathematics
- Percent proficient on the state's standards-based assessments in ELA and mathematics
- API as an additional indicator
- Graduation rate (for secondary schools)

Detailed information about AYP, including participation rates and percent proficient results by student group, can be found at the AYP Web page http://www.cde.ca.gov/ta/ac/ay/.

AYP Overall and by Criteria (School Year 2007-08)
This table displays an indication of whether the school and the district made AYP overall and whether the school and the district met each of the AYP criteria.

| AYP Criteria | School | District |
| :--- | :---: | :---: |
| Overall | Yes |  |
| Participation Rate - English-Language Arts | Yes |  |
| Participation Rate - Mathematics | Yes |  |
| Percent Proficient - English-Language Arts | Yes |  |
| Percent Proficient - Mathematics | Yes |  |
| API | Yes |  |
| Graduation Rate | $\mathrm{n} / \mathrm{a}$ |  |

## Federal Intervention Program (School Year 2008-09)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (English-language arts or mathematics) or on the same indicator (API or graduation rate). After entering PI , schools and districts advance to the next level of intervention with each additional year that they do not make AYP. Detailed information about PI identification can be found at the AYP Web page at http://www.cde.ca.gov/ta/ac/ay/.

| Indicator | School | District |
| :--- | :---: | :---: |
| Program Improvement Status | Not in PI | Not in PI |
| First Year of Program Improvement |  |  |
| Year in Program Improvement |  |  |
| Number of Schools Currently in Program Improvement | $\mathrm{n} / \mathrm{a}$ |  |
| Percent of Schools Currently in Program Improvement | $\mathrm{n} / \mathrm{a}$ |  |

## XI. School Completion and Postsecondary Preparation

## Admission Requirements for California Public Universities

## University of California

Admission requirements for the University of California (UC) follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements please visit the University of California Web site at http://www.universityofcalifornia.edu/admissions/general.html.

## California State University

Admission requirements for the California State University (CSU) use three factors to determine eligibility. They are specific high school courses; grades in specified courses and test scores; and graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses utilize local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For general admissions requirements please visit the California State University Web site at http://www.calstate.edu/admission/.

## Dropout Rate and Graduation Rate

This table displays the school's one-year dropout rates and graduation rates for the most recent three-year period for which data is available. For comparison purposes, data are also provided at the district and state levels. Detailed information about dropout rates and graduation rates can be found on the DataQuest Web page at http://dq.cde.ca.gov/dataquest/.

| Indicator | School |  |  | District |  |  | State |  |  |
| :--- | :--- | :--- | :--- | :--- | :--- | :--- | :--- | :--- | :--- | :--- |
|  | $2004-05$ | $2005-06$ | $2006-07$ | $2004-05$ | $2005-06$ | $2006-07$ | $2004-05$ | $2005-06$ | 2006-07 |
| Dropout Rate (1-year) |  |  |  |  |  |  |  |  |  |
| Graduation Rate |  |  |  |  |  |  |  |  |  |

## Completion of High School Graduation Requirements

Students in California public schools must pass both the English-language arts and mathematics portions of the California High School Exit Examination (CAHSEE) to receive a high school diploma. For students who began the 2007-08 school year in grade 12, as evidenced by that school year's October CBEDS enrollment, this table displays by student group the percent who met all state and local graduation requirements for grade 12 completion, including having passed both portions of the CAHSEE or received a local waiver or state exemption. Detailed information about the CAHSEE can be found at the CAHSEE Web page at http://www.cde.ca.gov/ta/tg/hs/. Note: "N/A" means that the student group is not numerically significant.

## es for University of California and/or California State University Admission

## (Scnool Year 2007-08)

This table displays, for the most recent year, two measures related to the school's courses that are required for University of California (UC) and/or California State University (CSU) admission. Detailed information about student enrollment in, and completion of, courses required for UC/CSU admission can be found on the DataQuest Web page at http://dq.cde.ca.gov/dataquest/.

| UC/CSU Course Measure | Percent |
| :--- | :---: |
| Students Enrolled in Courses Required for UC/CSU Admission |  |
| Graduates Who Completed All Courses Required for UC/CSU Admission |  |

## Advanced Placement Courses (School Year 2007-08)

This table displays, for the most recent year, the number of Advanced Placement (AP) courses that the school offered by subject and the percent of the school's students enrolled in all AP courses. Detailed information about student enrollment in AP courses can be found on the DataQuest Web page at http://dq.cde.ca.gov/dataquest/.

| Subject | Number of <br> AP Courses Offered | Percent of Students <br> In AP Courses |
