NOTE: The additional units must be obtained following the completion of a degree. The base salary of the psychologist is the first column and first step of the teacher's salary schedule. The base salary multiplied by the appropriate ratio will equal the total salary for the psychologist. The ratio provides for the responsibility assumed by the psychologist and an extended work year of 18 days beyond that expected of teachers. Ratio included in the salary calculations above. An employee within the district who assumes the position of school psychologist will be placed on the next highest level of the schedule above his current annual salary.
