18	d. <u>Continuing Treatments</u> : means:
19	 Two or more visits to a health care provider;
20	2) Two or more treatments by a health care practitioner (e.g.,
21	physical therapist) on referral from or under the direction of a health care provider; or
22	3) A single visit to a health care provider that results in a
23	regimen of continuing treatment under the supervision of the health care provider.
24	2. <u>Employees Eligible for Leave</u> : An Employee is eligible for leave if the
25	Employee:
26	a. Has been employed for at least 12 months; and
27	b. Has been employed for at least 1,250 hours during the 12-month
28	period immediately preceding the commencement of the leave.
29	3. <u>Reasons for Leave</u> : Leave is only permitted for the following reasons:
30	a. The birth of a child or to care for a newborn of a unit member;
31	b. The placement of a child with a unit member in connection with the

adoption or foster care of a child;

- c. Leave to care for a child, parent, or a spouse who has a serious health condition; or
 - d. Leave because of a serious health condition that makes the unit member unable to perform the functions of his/her position.
 - 4. Amount of Leave: Eligible unit members are entitled to a total of 12 work weeks of leave during any 12-month period. A unit member's entitlement to leave for the birth or placement of a child for adoption or foster care expires 12 months after the birth or placement.

The 12-month period for calculating leave entitlement will be a "rolling period" measured backward from the date leave is taken and continues with each additional leave day taken. Thus, whenever a unit member requests leave, the District will look back over the previous 12-month period to determine how much leave has been used in determining the amount of leave to which a unit member is entitled.

- 5. <u>Unit Member Benefits While on Leave</u>: Leave under this article is unpaid. In addition, while on leave, unit members will continue to be covered by the District's medical, dental, and vision plans. However, unit members will not continue to be covered under life insurance and/or any other non-health benefit plans. Unit members may make the appropriate contributions for continued coverage under the preceding benefit plans by direct payments made to these plans. Unit member contribution rates are subject to any change in rates that occurs while the unit member is on leave.
- 6. <u>Use of Other Accrued Leaves While on Leave</u>: If a unit member uses leave for any reason permitted in Section 2 above he/she must concurrently exhaust all other accrued leaves (except sick leave) in connection with the leave. The exhaustion of other accrued leaves will run concurrently with the leave.

If a unit member requests leave for his/her own serious health condition, in addition to concurrently exhausting other accrued leaves, the unit member must also concurrently exhaust sick leave.

7. <u>Medical Certification</u>: Unit members who request leave for their own serious health condition or to care for a child, parent, or a spouse who has a serious health condition must provide written certification from the health care provider of the individual requiring care. If the leave is requested because of the unit member's own serious health condition, the certification must include a statement that the unit member is unable to perform

the essential functions of his/her position.

If the District has reason to doubt the validity of a certification, the District may require a medical opinion of a second health care provider chosen by the District. If the second opinion is different from the first, the District may require the opinion of a third provider jointly approved by the District and the unit member. The opinion of the third provider will be binding. The second and third opinions will be at the District's expense.

If a unit member requests leave intermittently (a few days or hours at a time) or on a reduced leave schedule to care for an immediate family member with a serious health condition, the unit member must provide medical certification that such leave is medically necessary. "Medically necessary" means there must be a medical need for the leave and that the leave can best be accomplished through an intermittent or reduced leave schedule.

- 8. <u>Unit Member Notice of Leave</u>: Although the District recognized that emergencies arise which may require unit members to request immediate leave, unit members are required to give as much notice as possible of their need for leave. If leave is foreseeable, at least 30 days notice is required. In addition, if a unit member knows that he/she will need leave in the future, but does not know the exact date(s), e.g., for the birth of a child or to take care of a newborn, the unit member shall inform his/her supervisor as soon as possible that such leave will be needed.
- 9. <u>Reinstatement upon Return from Leave</u>: Upon expiration of leave, a unit member is entitled to be restored to the position of employment held when the leave commenced, or to an equivalent or comparable position.

As a condition of restoration of a unit member whose leave was due to the unit member's own serious health condition, which made the unit member unable to perform his/her job, the unit member shall obtain and present a fitness-for-duty certification from the health care provider that the unit member is able to resume work. Failure to provide such certification will result in denial of restoration.

- 10. <u>Required Forms</u>: Unit members must fill out the following applicable forms in connection with leave under this article:
- a. Request for Family or Medical Leave form prepared by the District to be eligible for leave;
 - b. Medical certification either for the unit member's own serious health condition or for the serious health condition of a child, parent, or spouse;

1	c. Authorization for payroll deductions for benefit plan coverage
2	continuation; and
3	d. Fitness for duty to return from leave certification.
4	11. Rights of Employees upon Return from Leave: An Employee returning to
5	duty following an approved leave of absence, paid or unpaid, shall be returned to the same
6	position held prior to the leave, providing he/she has met the conditions under which the leave
7	was granted and providing that position exists.
8	If, upon return from a paid or unpaid leave, the returning Employee's
9	position has been abolished, the Employee will be placed in another position at the same salary
10	range within his/her class of positions according to seniority within the class of positions or the
11	Employee shall be allowed to apply for any vacant position as an internal applicant.

BEFORE AND AFTER SCHOOL RECREATION PROGRAM

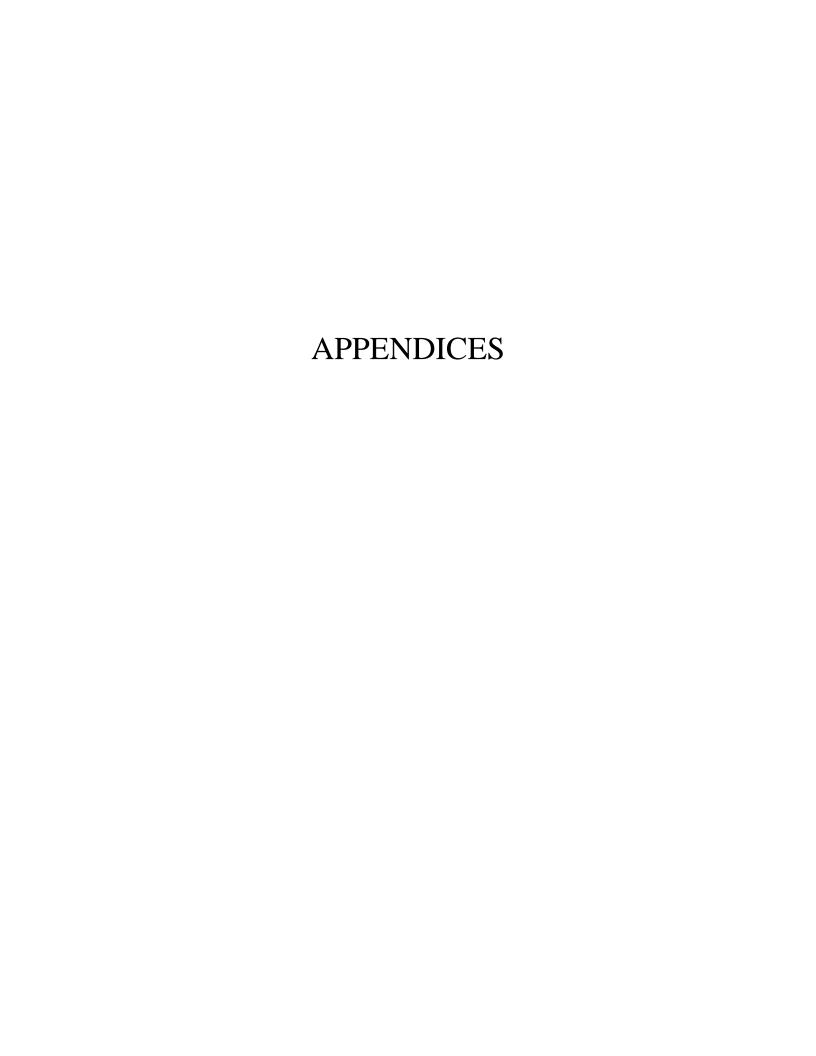

It is hereby agreed that the following information shall define current operations of the District's Before and After School Recreation Program (BASRP).

It is agreed that changing positions from the above shall only occur following contractual discussions and agreement with CSEA leadership. It is recognized, however, that the District may authorize an individual in one of the positions to flex the beginning and ending times as long as the total hours worked remains unchanged and the flexing does not create an adverse impact on other employees in the program. It is agreed that such flexing does not constitute a permanent change in the position.

- 1. <u>Use of Substitutes</u>: Substitutes are only used in approved positions which have for some reason become vacant, usually due to illness or short leave, or are in the process of being filled through the regular employee hiring process. When such a short term vacancy exists, attempts will first be made to determine whether any other regular BASRP employee would like to temporarily add the open assignment to their work schedule. If not, then use of outside substitutes is appropriate until the vacancy is closed. A process will be established to allow regular BASRP employees to state to their leader whether they have interest in substituting in hours outside of their regular hours.
- 2. <u>Assignment of Summer Program Hours:</u> It is agreed that the following is the process for the filling of Summer Program hours in the BASRP.
- a. <u>Priority 1</u>: Twelve (12) month BASRP Employees who shall work the same number of hours that they work during the regular school year. If less hours are needed than in the regular school year then the employee layoff procedure (Article XI) shall be followed to reduce staff.

- f. <u>Priority 6</u>: If any hours still remain, a formal application and selection process will be conducted. Selection shall be based on applicant qualifications and appropriateness for the position.
- 3. <u>Staffing Ratio:</u> It is agreed and understood that the BASRP is not under a mandatory State or Federal staffing ratio, but rather has established a practice of staffing to a local ratio. This practice calls for one staff member per 12 kindergarten students and one staff member per 15 first through fifth grade students. The ratio may be exceeded for short times within the course of the day, due to periods of staff or enrollment fluctuations that may occur. No regulatory issues are created by such fluctuations. Efforts shall be made to ensure that, even with such fluctuations, the ratios do not exceed 15:1. The leaders will be counted in the ratio if they are on site and available to assist with supervision
- 4. <u>Staff Work Year:</u> All new attendants hired on or after August 23, 2004, shall be employed for 180 days. One leader shall be employed for 12 months and be responsible for overall coordination of both the regular school year and the summer programs. Section B: Mark one column for each factor. Column (e) may be checked when a factor is not considered applicable to a particular job. Each mark in column (a) <u>requires</u> specific explanation in Section F.

Section C: May be used to describe outstanding qualities or performances, particularly when marks in Column (d) do not seem adequately descriptive.

Section D: Use to record progress or improvements in performance resulting from employee's efforts to reach previously set goals.

Section E: Record performance goals for the next evaluation period.

<u>Instructions for use of the Performance Evaluation Report Form:</u> Continued

SUMMARY EVALUATION: Check the overall performance here, taking into consideration all factors and total performance over the full period of service being evaluated.

Not Satisfactory: Performance clearly inadequate in one or more critical factors as explained or demonstrated in Section F. Employee has demonstrated inability or unwillingness to improve or to meet requirements. Performance not acceptable for position held. (Note: Such <u>summary</u> evaluation bars the employee from promotions or transfers for one year.)

Requires Improvement: Total performance periodically or regularly falls short of normal requirements. Specific deficiencies should be noted in Section F. This evaluation indicates the supervisor's belief that the employee can and will make the necessary improvements. Employee will be re-evaluated in 30 days.

<u>Effective – Meets Requirements</u>: Consistently competent performance meeting or exceeding requirements in all critical factors for this position. If margin is narrow and standards barely met, explain in Section E. Most employees would be rated in this category.

Exceeds Requirements: Total performance is well above normal requirements for the position. This evaluation should be reflected by marks for critical factors in Sections A and B, and superior or excellent performance should be noted in Section C.

SIGNATURES: Both the rater and the employee shall date and sign the report. The employee's signature indicates that the conference has been held and that he/she has had an opportunity to read the report. If he/she refuses to sign for any reason, explain that his/her signature does not necessarily imply or indicate agreement with the report and that a process is provided for him/her to state any disagreement. Further refusal to sign shall be recorded on the report, after which it shall be forwarded to the Human Resources Office.

APPEAL: Any employee who is dissatisfied with the performance evaluation he/she has received should refer to Article IX, Section E, Appeals.
