18:42:58 From Barbara Martinez : Adult School Leaders met with Assemblymember Mark Stone and Senator Mornings office yesterday and today to advocate for continued funding for adult education. We discussed the effects of COVID has had on our schools and districts state wide. Both legislators were compassionate and encouraging to our stories. We are in it together.

18:43:13 From Beth Cina : Thank you to the Forest Grove PTA for our Michael's Gift Certificates. So generous. Forest Grove Staff is so appreciative.

18:43:23 From Diane Beron : On behalf of all our State Preschool Families I would like to thank the district for the meals provided, it's probably one of their highlights of the day!

19:00:48 From Carolyn Swanson : PC: I am glad to see it will be reviewed next Fall.

19:01:44 From Shannon McCarty : or 2021....LOL

19:25:04 From Matthew Binder Pacific Grove USD : PC: You can unmute me. Thank you.

19:26:42 From Ana Silva : pc we do have curriculum needs coming forward that reflect the needs for online student usage

19:39:15 From Matthew Binder Pacific Grove USD : You're welcome. Thank you!

19:49:28 From Barbara Martinez : Great job Matt. That took a lot of time to put it all together.

19:49:28 From Sean Keller : Great presentation, Matt Kelly.

19:54:13 From Carolyn Swanson : PC: I stand by my request from several months ago when this topic came up; we must reach out to parents for feedback on this topic. We have 186 kids riding the busses; which is roughly 10% of our students.

19:57:49 From Carolyn Swanson : We also have to remember that the Federal IDEA Act which grants children who qualify for special education; recognizes transportation services as an approved related service. No matter what; you will need to have district provided transportation as an option for kids who qualify for special education.

20:00:27 From Sean Roach : Site funds or grants

20:00:38 From John Paff : yes.

20:01:14 From Shannon McCarty : We don't get an allotment for field trips

20:01:17 From Kari Serpa : We have to raise money for bus fees when we go on field trips (PG Walk money). Or get grants.

20:01:28 From Sean Keller : PC: RHD will support teachers if transportation moves in this direction - IF field trips will be occurring in our future.

20:01:44 From Matt Bell : PGHS can allocate funding toward trips

20:02:00 From BuckRoggeman : FG will cover field trips out of the site fund when necessary although "allotment" per teacher is given. We have always found a way to fund field trips.

20:02:01 From Karinne Gordon : Field trips have to come from ASB fund, or fundraising--never from general funds for me at the high school.

20:02:06 From Hetal Patel : PC: As a FG teacher, I do not use site funds. Sometimes I ask parents for \$, or pay out of my own pocket

20:02:20 From Chavez : PC: If field trips will be occurring in the upcoming year.

20:02:49 From Karinne Gordon : Exactly--ask parents for money to help pay.

20:02:53 From BuckRoggeman : Site funds are always available for our teachers and they should NEVER pay out of pocket for field trips.

20:03:20 From Beth Cina : Yes. I agree, Hetal. Usually pay out of pocket or ask parents. It is a difficult process.

20:03:56 From Karinne Gordon : Field trips vs. daily bus ridership are apples and oranges

20:05:29 From Shannon McCarty : PC: We have never used site funds for fieldtrips.

20:06:28 From BuckRoggeman : I have personally approved the use of site funds for field trips when necessary.

20:07:38 From Erica Chavez : Wasn't me

20:08:50 From K Gordano : PC: I have paid for all trips using Walk money.

20:10:14 From Karinne Gordon : Who is K Gordano?

20:10:55 From Shannon McCarty : She is a teacher at FG

20:11:18 From Karinne Gordon : Thank you! Very close to my name, so making sure no confusion. Thanks!

20:11:48 From Erica Chavez : There is another Chavez on here too, confusion all around.

20:12:57 From Karinne Gordon : No worries :)

20:20:31 From Matt Bell : Thank you, Trustees.

20:28:41 From Sean Keller : PC: Hear, hear to the PGUSD voters and taxpayers! Thank you for Measure A funding. Plus, great job by our Tech Committee in making a solid Tech Plan and spending wisely.

20:29:04 From Karinne Gordon : Who is on the advisory boards and how are they chosen?

20:29:50 From Sean Keller : At RHD, it was open to any staff or parent. 18 participated in our first meeting.

20:31:57 From Kimberley Shurtz : That is just an incredible idea for graduation. Awesome way to make this day remarkable for the senior class!

20:32:06 From Karinne Gordon : Thank you, Ralph, and everyone else who is working to make this virtual graduation happen.

20:32:38 From Karinne Gordon : We can do it!!

20:32:44 From Kari Serpa : PGHS PTA is meeting now to talk again about how to support graduation. Count us in!

20:33:07 From Jeannie Traback : PC: I am grateful for the updates from the district. Our district is doing a great job. I'd like to ask that our district make our own tentative plans for the fall with the inclusion of parent voices. Especially if parents are going to be supporting the "distant learning" from home. We as parents need to evaluate these plans and have a greater voice if the district plans plans to continue in these directions.

20:34:26 From Sean Roach : PGMS Yes!

20:34:27 From Larry Haggquist : the leadership group at the high school appreciates the fact that PGPD is helping us work on devising some plans for graduation that will work.

20:34:36 From Angela : PC: I saw another high school who is lining up the senior pictures in front of the school before they were distributed to parents.

20:35:26 From Ana Silva : pc: our administrative team meets everyday to discuss all aspects of moving forward for the fall to ensure we are creating a safe space for all students and staff whether it be in a distance learning and/or social distancing environment.

20:35:41 From Kari Serpa : I would be happy to be a parent voice on the task force. I have kids at two PG schools. Teacher (with many parent interactions) at a third school.

20:35:44 From ralphorras : Yes, parent input for sure.we just need to layout some groundwork..soon as we can :0) Very much appreciate our parent support out there!

20:40:23 From Karinne Gordon : I agree, Jon. A lot of work will need to be done during the summer.

20:41:27 From Karinne Gordon : (or before!)

20:43:30 From Matt Bell : task forces at each school have been or are being formed to look at the start up issues from the site perspective.

20:43:43 From Sean Keller : Thank you, John and double thank you to the RHD staff and parents who participated in the Advisory.

20:46:46 From Beth Cina : Class Act, Adrian Clark. Well done.

20:46:47 From Sean Keller : Adrian for President!

20:46:57 From Larry Haggquist : what a beautiful statement from a great student leader, Adrian Clark!

20:47:05 From Shane Steinback : Great comments Adrian! You're a class act!

20:47:07 From Karinne Gordon : Ditto, Larry!

20:47:18 From Karinne Gordon : And Shane!

20:47:26 From Brian Swanson : U are awesome, Adrian.

20:52:38 From Karinne Gordon : Yes, class meetings during regular class times.

20:52:45 From song chinbendib : Ditto Sean K.

20:53:09 From Karinne Gordon : Still want to participate in meeting.

20:53:26 From Karinne Gordon : Thank you, Debbie!
